

SAMTALSSTÖD I BILDER

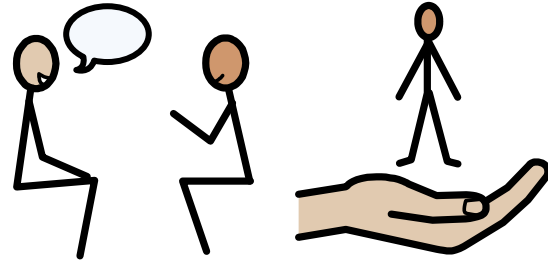

KOM IHÅG!

För att göra en orosanmälan behöver du inte veta om övergrepp skett. Din misstanke räcker och det är socialtjänstens och polisens uppgift att utreda.

*Integritetsstärkande lektionsunderlag till grundskolan,
för att lära barn om kroppslig integritet och motverka sexuella övergrepp.*

Samtalsstöd

i

bilder

Detta bildstöd är skapat för arvfondsprojektet Grundskolebrevet.
Syftet är att vara ett stöd under samtal gällande integritetskränkningar och övergrepp.
Både när personal känner oro samt möjliggöra för eleven att självständigt kommunicera kring dessa ämnen. Alla sidor är inte aktuella för alla samtal så använd dem som är aktuella för er. Viktigt att tillägga att skolpersonal inte har ett utredande uppdrag i dessa frågor utan det handlar om att fånga upp vad eleven vill kommunicera och vid behov slå larm.
